

WHAT AM I?

"I am a useful utility which can be used to reduce the size of a file. It is a good idea to use me when you want to send a large file as an email attachment"

ANSWER

"I am really good at putting data into a coded form so that it can be sent safely and securely across the Internet"

ANSWER

"When you delete files or software, empty spaces or fragments are left on your hard disk. My job is to help "tidy up" your hard disk and remove all of these fragments"

ANSWER

"I spend all of my time looking for 'nasty' pieces of code in files that you are downloading. I try to prevent any 'infections' getting onto your system"

ANSWER

"I can provide you with detailed information about the software you have installed on your computer and also the hardware or peripherals that you have attached"

ANSWER
